# Holmested's Index of Cases

ON THE PUBLIC STATUTES OF CANADA AND ONTARIO

Price \$3, Postage 13 cents.

*N. B.—This work is the result of upwards of twenty years' careful annotation of the Statutes.*

The following are some unsolicited testimonies as to the value of this work.

"The book is a great labour saver."—C. J. HOLMAN, Esq., K. C., Toronto.

"We have used it frequently and find that it saves a very great deal of research. We reach easily the cases turning on all sections of the statutes, and so focus our point of research with very little trouble."—MESSRS. KERR, DAVIDSON, PATERSON & GRANT, Toronto.

"Glancing over it and even making use of it in a case I am now looking at, it seems to me that it cannot fail to be helpful to anyone who wishes to find, and find speedily, all there is in the reports about a particular enactment."—The HON. CHAS. MOSS, Chief Justice of Ontario.

"I have found your book very useful and would not be without it for twice its cost to me. It is only last week that I found several cases mentioned in reference to the Landlord and Tenant Act, which were worth a good deal to me."—L. F. CLARRY, Esq., Hastings.

"I find your collection of cases upon the Statutes of the greatest possible value."—W. E. MIDDLETON, Esq., Toronto.

"It strikes us that your book will be of great value to practitioners."—MESSRS. MILLAR & SIMS, Berlin.

"Perusal of the same convinces me that the book will prove of great value."—W. B. CUNNINGHAM, Esq., Kingston.

"We congratulate you on having compiled what promises to be a very useful publication."—MESSRS. GORMULLY & ORDE, Ottawa.

"Which we expect will prove of great utility."—MESSRS. MCCracken, HENDERSON & McDougall, Ottawa.

*Can. Holmsted, George S.*

"Your Index will, I think, be of great service and save much labour."—K. GOODMAN, Esq., Parkhill.

"The Book will be found extremely useful."—HON. J. M. GIBSON, K.C.

"Am much pleased with it. I believe it will fill a long-felt want."—FRED. M. BROWN, Esq., Kingston.

"I am very glad you have issued this publication, as it saves an enormous amount of time."—F. W. GRIFFITH, Esq., Niagara Falls.

"From what little I have seen of it, it strikes me that the work will be found a very useful one."—W. PROUDFOOT, Esq., K.C.

"I am sure it will prove a most valuable and useful addition to the library of any and every active practitioner."—H. L. DRAYTON, Esq., County Crown Attorney, Toronto.

"Have no doubt I shall find your work most useful and time saving."—HIS HONOR JUDGE BENNON, Port Hope.

Ten dollars will supply you with a complete record of the judgments of the High Courts of England and House of Lords, etc.

# THE LAW JOURNAL REPORTS.

*The Oldest-established Reports, Commencing 1822.*

These old-established REPORTS are now in their 83rd year of existence, and the Proprietors would draw the attention of the Profession to some of the points upon which excellence is claimed for them.

## 1. SIMPLICITY OF ARRANGEMENT AND FACILITY OF REFERENCE—

There is only one volume in each year for each Division of the Courts. The LAW JOURNAL REPORTS and Statutes for each year may be conveniently bound in 8 vols., or if thin paper is used, it can be bound in one convenient volume. The system of citation has not been materially altered for over 60 years.

## 2. CONCISENESS AND ACCURACY—

The LAW JOURNAL REPORTS form by far the most extensive and authoritative series of English Reports extant. The Editors have always endeavoured, and it is believed with success, to avoid prolixity, both in the head notes and in the statement of facts, and to restrict the Reports of Cases so far as is possible to the elucidation of the points of law decided in them. ON THE QUESTION OF ACCURACY the LAW JOURNAL REPORTS have NEVER been impeached.

## 3. MODERATE PRICE—

The subscription of the LAW JOURNAL, the LAW JOURNAL REPORTS, and the Statutes of the current session is only £4 4s. per annum.

Omitting the Statutes the above in Canada are \$10, or as follows:

Law Journal Reports	only \$10 00
Statutes	2 00
Law Journal, Weekly	6 50

Thin paper issue will be supplied at the same price a year, \$10. It can be bound in one neat volume, so that the year's reports, bound in half-calf, will only cost \$11.50.

Subscribers to Law Journal Reports are entitled to purchase "Mews' Annual Digest" with its quarterly issues for the same year, at \$2.00.

(11) A complete Subject Index (over 100 pp.), prepared by ALAN M. DYMOND, K.C., Esq., Law Clerk of the Legislative Assembly of Ontario.

This new "MUNICIPAL MANUAL" is recognized as a text book of authority.

Chief Justice SIR WM. R. MEREDITH—himself a leading authority on municipal law—recently referred to it as "an accurate compendium of the law relating to municipal institutions in this Province." MR. JUSTICE MOSS, of the Ontario Court of Appeal, is equally commendatory; and the late MR. JUSTICE ROSE, in a judgment delivered September, 1901, speaks of "MR. BIGGAR'S admirable text book, in which all the recent cases on the subject are carefully collected and clearly reviewed." Letters from many other Judges, as well as from lawyers and municipal officers, give abundant testimony to the accuracy and completeness of the "Manual."

The following letter to the publishers by Hon. Justice Dillon, Author of the work on Municipal Corporations, the standard treatise in the United States:

NEW YORK, Nov. 23, 1901.

DEAR SIR,—Allow me to say, respecting the eleventh edition of the Canada Municipal Manual, recently published by you, being founded on the sixth edition of Harrison's Municipal Manual, that it is, in my judgment, a work of the very highest merit. The extensive use which I made of Harrison's Municipal Manual and publicly acknowledged, in the preparation of my treatise on Municipal Corporations, shows my high opinion of that work. The revision and additions of Mr. Biggar have brought down the constantly developing law of Municipalities to the present time. No lawyer or Judge interested in the law of Municipal Corporations can consult the present edition, with its reference to more than two thousand Canada cases, without instruction and profit.

Very sincerely yours,

(Sgd.) JOHN F. DILLON.
